**Special Requests:** \_\_\_\_\_

Adults and helpers are encouraged to take the same amount of produce as students as it is paid for. There is no charge for teachers or the tour produce they take from the farm. If additional produce is picked by tour participants, regular farm prices apply. To confirm booking, a \$30.00 deposit is required at time of booking. In the event of a cancellation, an alternate tour date must be booked or the deposit is non-refundable. Balance of payment is due at time of farm arrival. We accept Visa, Mastercard, Debit, Cash or Cheque (a blank cheque is suggested as number of participants often change). Please make cheque payable to Andrews Scenic Acres. The minimum charge is \$90.00 for small classes. There are no taxes as we only charge for the produce.

**\*Please make sure to include your email and school board. Thank You!**

**Note:** Please, please, encourage students to dress for the weather because they are visiting a real farm. Particularly keep in mind that late October weather can be very cold and wet.

If your class prefers a less hectic time, we have fewer bookings during the months of May, July, August and September. Afternoons are also much quieter.

Take Hwy. 401 to Trafalgar North (Exit 328)

Drive north approximately 7 km to Sideroad #10 (Ashgrove).

Drive west to the farm OR North of 401 on Hwy. #25. Drive east on Road #10
